SUBJECT: HUSKY B Eligibility Verification for Behavioral Health Services

The Department is modifying the Automated Eligibility Verification System (AEVS) to support eligibility verification for HUSKY B clients as described previously in Provider Bulletin PB 2005-76 entitled, "New Connecticut Behavioral Health Partnership". During the initiation phase of AEVS for HUSKY B, HUSKY B eligible clients may not show as eligible when using the AEVS system. Until further notice, if a client reports that he or she is enrolled in HUSKY B, but the provider cannot verify this using AEVS, the provider should contact ACS at 1-800-656-6684 for a definitive verification of HUSKY B eligibility.
