

## PROVIDER ALERT

Alert#: **PA-2018-01**

Issued: **April 12, 2018**

To: **All CT BHP Residential and Group Home Providers**

Subject: **Update to CT BHP MTPPR Process**

---

Dear Provider,

The CT BHP is pleased to announce that, effective May 1<sup>st</sup>, 2018, the concurrent authorization process for Residential and Group Home providers is being revised. This change will impact providers completing the concurrent Monthly Treatment Planning and Progress Reports (MTPPR) in ProviderConnect, but will not impact the Child and Adolescent Needs and Strengths (CANS) form in ClientConnect.

Effective May 1st, 2018, concurrent reviews for MTPPR's will transition from a pend status to an auto-approved status, upon submission.

**IMPORTANT: For ProviderConnect users, the start date for each MTPPR concurrent review submission must be the first uncovered date of service (the day following the last authorized day), for the MTPPR to process correctly.**

We thank you for your participation in the CT BHP network and we look forward to working with you in the coming months to continue to enhance collaboration within the behavioral health delivery system. If you have any questions, please feel free to contact the CT BHP Call Center at 1-877-552-8247.
