

PROVIDER ALERT

Alert #: PA-2018-04
ISSUED: May 1, 2018
TO: (SFIT) Congregate Care Providers
SUBJECT: Update and Transition of SFIT (Short Term Family Integrated Treatment Program) Process

Dear Provider,

The CT BHP is pleased to announce that, effective June 1, 2018; the precertification authorization process for SFIT is being revised. This change will impact SFIT providers requesting authorization, once the youth has admitted to the unit, but this will not impact the initial referral process.

Effective June 1, 2018, the registration precertification process for SFIT services will transition from a pend status to an auto-approval status upon submission of the SFIT precertification in the CT BHP's ProviderConnect application.

If you have any questions or comments, please feel free to contact the CT BHP Provider Relations Department at 1-877-552-8247.

Thank you,

Provider Relations Department
