

HUSKY Health members are advised of the following:

- If you have general questions about Covid-19, but do not have symptoms:
  - The State of Connecticut has set up a coronavirus information website at [ct.gov/coronavirus](https://ct.gov/coronavirus). This is a good resource for general questions.
  - The State and United Way of Connecticut have launched an information hotline for questions from the public regarding issues related to the spread of coronavirus (COVID-19). People who have questions can call 2-1-1 or text “CTCOVID” to 898211
- If you have symptoms of Covid-19 (fever, cough, shortness of breath):
  - We strongly urge you to contact your primary care provider to seek treatment.
  - If you do not have a primary care provider, please call the HUSKY Health line at 1-800-859-9889 or access the online provider look-up at this link: [https://link.zixcentral.com/u/dbd9e132/nPd98Qhn6hGR3h2XUabuwQ?u=https%3A%2F%2Fwww.huskyhealthct.org%2Fprovider\\_lookup.html#](https://link.zixcentral.com/u/dbd9e132/nPd98Qhn6hGR3h2XUabuwQ?u=https%3A%2F%2Fwww.huskyhealthct.org%2Fprovider_lookup.html#)
  - If you would like to speak with a nurse about your symptoms, call the HUSKY Health Nurse Helpline at 1-800-859-9889 and follow the prompts to talk to a nurse who will answer your questions.
